PRODUCT DATA SHEET

Hatton Stacking Chair

CODE: HATTON

Stackable elegance for multipurpose spaces, inside and outside. The elegant, streamlined silhouette of these chairs is created with a 100% recyclable, one-piece injection-moulded polypropylene/glass fibre blend. Its built-in UV protection makes it suitable for indoor and outdoor use. Strong, comfortable and light, it is stackable to 8 high on the floor, or 18 high on its transport dolly. Its subtle curved backrest features an integrated grab handle to make the chair easy to move around and quickly reconfigure a space.

FEATURES & SPECIFICATIONS

- Integrated grab handle
- Built-in UV filter, suitable for indoor & outdoor use
