PRODUCT DATA SHEET

Portland II Operator Chair

CODE: KCUP0486

The Portland II Mesh Back Operator Chair is comfortable and versatile with its soft airmesh fabric upholstery. One of the critical features of the Portland II Mesh Back Chair is the height-adjustable lumbar support, which allows the user to customize the chair to their individual needs. The chair also has a lockable reclining mechanism, allowing users to find the most comfortable position. These features help to prevent fatigue and discomfort, even during prolonged periods of sitting.
