PRODUCT DATA SHEET

Spry Task Operator Stool

CODE: OP000220

The Spry Task Operator Stool is a versatile seating solution that can be used in various settings where a flexible seating position is required. This ingeniously designed stool features a distinctive positive angled central column that rocks and tilts for ergonomic action, providing a comfortable and supportive seating experience. The softly upholstered cushioned seat provides additional comfort and support, making it an excellent choice for extended periods of sitting. With its ergonomic design and flexible features make it a comfortable and practical choice for anyone needing a reliable and supportive seat.
