PRODUCT DATA SHEET

Venus - Meeting Room Chair with Mesh Back

CODE: V4MB

The Venus mesh back meeting room chair is a versatile and stylish seating option designed specifically for meeting rooms and waiting areas. Key features of the Venus chair are its mesh half back, which provides excellent breathability and lumbar support. Its ergonomic design, 8-hour use, colour options, and a choice of either a chrome cantilever or four-legged frame design makes it a versatile and comfortable seating solution for productive and engaging meetings.
