Fuze

Increasingly, businesses are moving away from dedicated single employee workspaces, towards more flexible working environments, and bench desk systems are the ideal solution for high density open plan workplaces. Fuze bench desks blend the best of European design with the highest workmanship standards to span a wide range of applications and support the most creative of workspaces.

Start simple Then Fuze together!

Offering choice is essential when creating a space for an agile workforce, and Fuze's stylish design and versatile components help you to do more with less.

The flexibility of bench desking allows for easy reconfiguration and expansion of the work area as one project is completed and a new team moves into the space.

Cable trays

Central drop down cable trays for easy cable management

Mass cable riser

Manages all the cables from the desk to the floor

Inset leg

Provides improved leg room forward as the recessed leg is positioned in the centre of the desks

Modern framework

Solid oak legs and steel framework for enhanced strength and stability

Start & Add

Each bench desk configuration starts with a starter unit – which can be back-to-back desks, double back-to-back desks, or triple back-to-back desks. Choose your starter unit width, depth and colour

Then simply add your add-on units.
