PRODUCT DATA SHEET

Single Motor Electric Ergonomic Sit-Stand Desk

CODE: EDF21-1400/SLV/BEE

The Electric Ergonomic Sit-Stand Workstation allows users to switch between sitting and standing positions throughout the workday.

The desk has a smooth and effortless electric motorized height adjustment that ranges from 710 to 1210mm and a maximum load capacity of 80 kg. An electric standing desk offers benefits such as increased energy levels, focus, concentration, productivity, posture, and well-being. The Electric Ergonomic Sit-Stand Workstation is an excellent option for those on a budget looking for a desk frame suited to home offices or smaller workspaces.
