PRODUCT DATA SHEET

Cheetah Leather Chair

CODE: CH1110

The Cheetah Leather Chair is a highly adjustable and robust chair designed for 24-hour usage and suitable for users up to 24 stone. It features a neck-high, sleek ratchet foam back that offers permanent contact to support the user throughout the day. The extra-thick foam seat pad, heavy-duty mechanism with independent controls, and available 2D height adjustable arms make for a comfortable and customizable seating experience. Additionally, the integral seat slide supports taller users.
