CONTRACT PLASTIC FURNITURE

THE IMPORTANCE OF PLASTIC FURNITURE

Plastic furniture is a great choice for your indoor and outdoor spaces as it is hard-wearing, weather-proof and requires very little maintenance.

Made of high-grade recyclable polypropylene our range of contract plastic furniture comes with another great advantage – it is environmentally friendly! By choosing recyclable plastic furniture you can reduce your carbon footprint and support sustainable initiatives by diverting waste away from landfill sites; Recycling one ton of plastic saves 7.4 cubic yards of landfill space! So when you are ready for a change simply recycle your products.

BENEFITS OF PLASTIC FURNITURE

- Hard-wearing so it is long lasting and damage resistant
- Little maintenance – no need to re-varnish or paint
- Weather resistant even in the harsh UK climate
- Perfect for wet and damp conditions including pool and beach side venues
- Doesn't rust or crack
- Lightweight and mobile so can be rearranged easily
- Lots of colours and styles to choose from
- Easy to clean

BOX COLLECTION

The Box collection is very simple and modern in design. Featuring a strong and sturdy frame it is manufactured from high grade, recyclable resin polypropylene making it ideal for outdoor or indoor commercial use and heavy use areas.

Consisting of an armchair, sofa and table all items are stackable and ideal for areas with limited storage. Available in a range of seven vibrant colours which will last the test of time as they are UV resistant and won't fade. The Box Collection is popular for use in hospitality, offices and education and is a perfect addition to breakout areas, outdoor dining areas, communal gardens and pool sides.

COLLECTION FEATURES

- **FINISH** - Recyclable resin polypropylene
- **COLOURS** - Available in seven colours
- **PRODUCT RANGE** - Armchair, sofa and table
- **IDEALLY SUITED TO** - Hospitality, education and workspace
- **CATAS** tested for contract durability
