PRODUCT DATA SHEET

Electric Ergolift Height Adjustable Desk

CODE: HAT140/SLV/BEE

The Electric Height Adjustable Desk is a high-quality modern desk that allows you to customise the height of your workspace. It has a weight capacity of up to 80kg and can easily accommodate a computer, monitor, and other accessories.

The standout features are its electric height adjustment system, with just the push of a button, you can easily adjust the desk to your desired height between 680 to 1130mm. This makes it ideal for individuals of all heights and can help to promote a healthier posture and reduce back pain associated with extended periods of sitting.
