# TABLES

cafe & dining furniture

Dining tables are simple yet elegant and offer a contemporary layer of style to any office breakout room or café area. Available with circular, square or rectangular tops in various sizes, you can also select from a wide range of base designs, edge finishes and laminate colours. Poseur tables are a very popular choice thanks to their simple yet stylish design which looks ideal in either a modern or traditional workplace, and a coffee table is also a great choice if you want to create a simple but impactful look in a breakout space or café area.

# SAXON

*sophisticated table designs*

Fashions in furniture change nearly as quickly as clothes, but one thing that never goes out of fashion is a piece of furniture for people who place value on stylish design and functional décor. The Saxon range of dining and meeting tables with solid, tapered wooden legs exemplifies elegance and sophistication, and the white metal frame endows the table, bringing a touch of unique charm to any interior.
