PRODUCT DATA SHEET

Strela Monitor Arm

CODE: STRELA1-BLK

The Strela monitor arm provides a versatile solution for various applications and effortlessly transitions between portrait and landscape orientations. Its sleek aluminum design adds a touch of elegance to any home or office setting. With a flexible arm joint and adjustable VESA plate, users can easily customise the height and angle of their monitors for an optimal viewing experience. Our Strela articulating monitor arms combines functionality and style in one convenient product.
