Technical information

UK

Industry Application
Workplace, Education

Composition
100% Polyester
Non metallic dyestuffs

Environment
Certified to OEKO-TEX® Standard 100

Width
140 cm minimum

Weight
285 g/m² ±5% (399 g/lin.m ±5%)

Updated 10.2021

Abrasion Resistance*

Heavy duty / 10 year guarantee
Independently certified to ≥100,000
Martindale cycles

Flammability

EN 1021 - 1 (cigarette)
EN 1021 - 2 (match)
BS 7176 Low Hazard
Note: Flammability performance is dependent on components used. Our certificates show what substrates have been used in our tests. For composite tests customers must ensure their complete furniture meets the necessary standards.

Light Fastness

6 (ISO 105 - B02)

Fastness to Rubbing

Wet: 4, Dry: 4 (ISO 105 - X12)

Cleaning

Washable to 60°C. Vacuum regularly.
Wipe clean with a damp cloth or shampoo
using proprietary upholstery shampoo.

*Abrasion testing produces a wide variability of results even from the same test sample. The independent certificate of ≥100,000 cycles is available on our website or from our customer service team. Internally we also specify this product at >100,000 cycles which we believe is realistic for repeatability of testing. Please be aware that abrasion testing alone is not a reliable indicator of the actual wear performance of fabrics. We're so confident in the durability of our products that we provide a robust 10 year guarantee (full details available).

Please note that seam performance is dependent on seam construction and needle and thread type. We recommend that appropriate sewing advice be taken.

Batch to batch variations in shade may occur within commercial tolerances. We reserve the right to alter technical specifications without notice. The Unregistered Design Rights and the Copyright in all designs are the exclusive property of Camira Fabrics Limited.

Photographic fabric scans are not colour accurate. Always request actual fabric samples before ordering.
