PRODUCT DATA SHEET

Inflatable Lumbar Support

CODE: 9731003

The Inflatable Lumbar Support is a portable solution for individuals who require extra support for their lower back while sitting in situations where a suitable chair is unavailable. The support is made of highly robust rubber material and can be easily inflated using the provided pump-up insert. It is lightweight and can be easily carried in a bag or briefcase, making it ideal for use in meetings, during travel, or at home. The inflatable lumbar support is an affordable and convenient way to ensure that individuals can maintain proper posture and avoid discomfort or pain associated with extended periods of sitting.

FEATURES & SPECIFICATIONS

- Easy stretch strap with Velcro fixing
- The pump can be tucked into the strap behind the chair back
- Easily portable
