PRODUCT DATA SHEET

Sora Height Adjustable Sit Stand Workstation for Desks

CODE: SHAW-BLK

Convert an existing desk to a standing desk with our desk converter which offers an easy transition from a comfortable sitting position to a standing one. The monitor riser allows simple and smooth adjustments thanks to the gas spring lift which allows for any height setting within the range, and the separate keyboard and mouse deck adjusts to elevate the screen – keeping it at eye level, with a groove design that is also suitable for laptops.
