## PRODUCT DATA SHEET

### Sit-Stand Desk with Drawer and USB Charger

CODE: ED20B

The Sit-Stand Desk with Drawer and USB Chargers is a practical and convenient solution for individuals who want to incorporate more movement and flexibility into their work routine, especially those who work from home. With a single click, the desk can be raised to your standing height, allowing you to say goodbye to a sedentary lifestyle.

The desk has an adjustable height range of 720-1210mm and an integrated 1200x600mm top (MDF or Glass). Additionally, the desk comes with a storage drawer and USB charging ports, which is useful when sharing the desk with another family member. The desk has four memory presets for one-click height adjustment, which is useful when sharing the desk with another family member.
