# Cafe & Dining Tables

Dining tables bring people together, inspiring conversation and collaboration. Whether it's to grab a bite to eat or engage in lively conversation, the range of dining tables are perfect for cafes, lounges, canteens - anywhere people gather. The extremely versatile and very adaptable tables offer users a comfortable dining position for eating or alternatively for some time away from your desk working.

# Pisa

## COFFEE, DINING & POSEUR TABLES

The Pisa tables range has been designed to bring people together, inspiring conversation and collaboration. Designed to complement virtually any décor, the polished chrome circular base and column supports a 25mm table top available in a variety of sizes and finishes, as well as dining, poseur and coffee table heights, making it perfect for canteens, cafes, lounges, receptions - anywhere people gather.

# Monza

COFFEE, DINING & POSEUR TABLES

Classic, contemporary and refined are the words most often used to describe the Monza range. Tables are available in coffee and poseur table formats as well as standard height meeting or dining tables. With its slim profile base and tubular column, Monza has a timeless design that never goes out of style, and the choice of circular, square or rectangular tops allows for customisation of design and function.

# Power Ready

## COFFEE, DINING & POSEUR TABLES

Furniture and equipment that allows quick set-up and connections is a high priority so people can pick up where they left off in another working area. Table tops with circular cutouts are designed to incorporate power and data capabilities to transform office canteens and dining spaces, where employees can take their laptops, tablets and phones with them for a more connected, advanced working environment.

# Power Modules

Café & Dining table tops with the suffix '-CO' are supplied with circular cutouts 80mm routed into the tops in a central position on the Monza ranges of coffee tables, dining height tables and high poseur tables.

An 80mm circular cutout is the ideal size for the cost-effective Ion power modules. The power module can then be dropped into position, with cables hard-wired into them which feed down through the hollow table column and under the base to the floor.

### Ion - ION-1-K

1 x UK socket, 1 x USB Charger (type A) - Black

### Ion - ION-1-WH

1 x UK socket, 1 x USB Charger (type A) - White

Power modules are ordered separately to table tops see page 199

# Brescia

COFFEE, DINING & POSEUR TABLES

The Brescia collection of tables features simple, contemporary lines and its expansive product offering supports virtually any workplace environment. Brescia tables are offered in a variety of sizes, shapes and heights. Supporting the 25mm table tops, available in 5 finishes, is a matching central column and slim square base which wouldn't look out of place in any modern workplace.
