## PRODUCT DATA SHEET

### Linx Mesh Back Chair

CODE: LINX2-AAT-HEADREST

The Linx Mesh Back Chair is a spacious and comfortable office chair that features a generously sized mesh back and a choice of two different mechanisms. The chair is designed with ergonomics in mind, providing support and comfort to the user during extended periods of sitting. Mechanism one offers a traditional tilt function that allows the user to recline the chair and adjust the tension of the backrest to their preference. Mechanism two offers a synchro-tilt function that synchronizes the angle of the seat and backrest, providing a more natural reclining motion that promotes good posture.

## FEATURES & SPECIFICATIONS

- Choice of mechanism (1) or (2)
- Black mesh back with upholstered seat
- Manual back height adjustment
- Black nylon base
