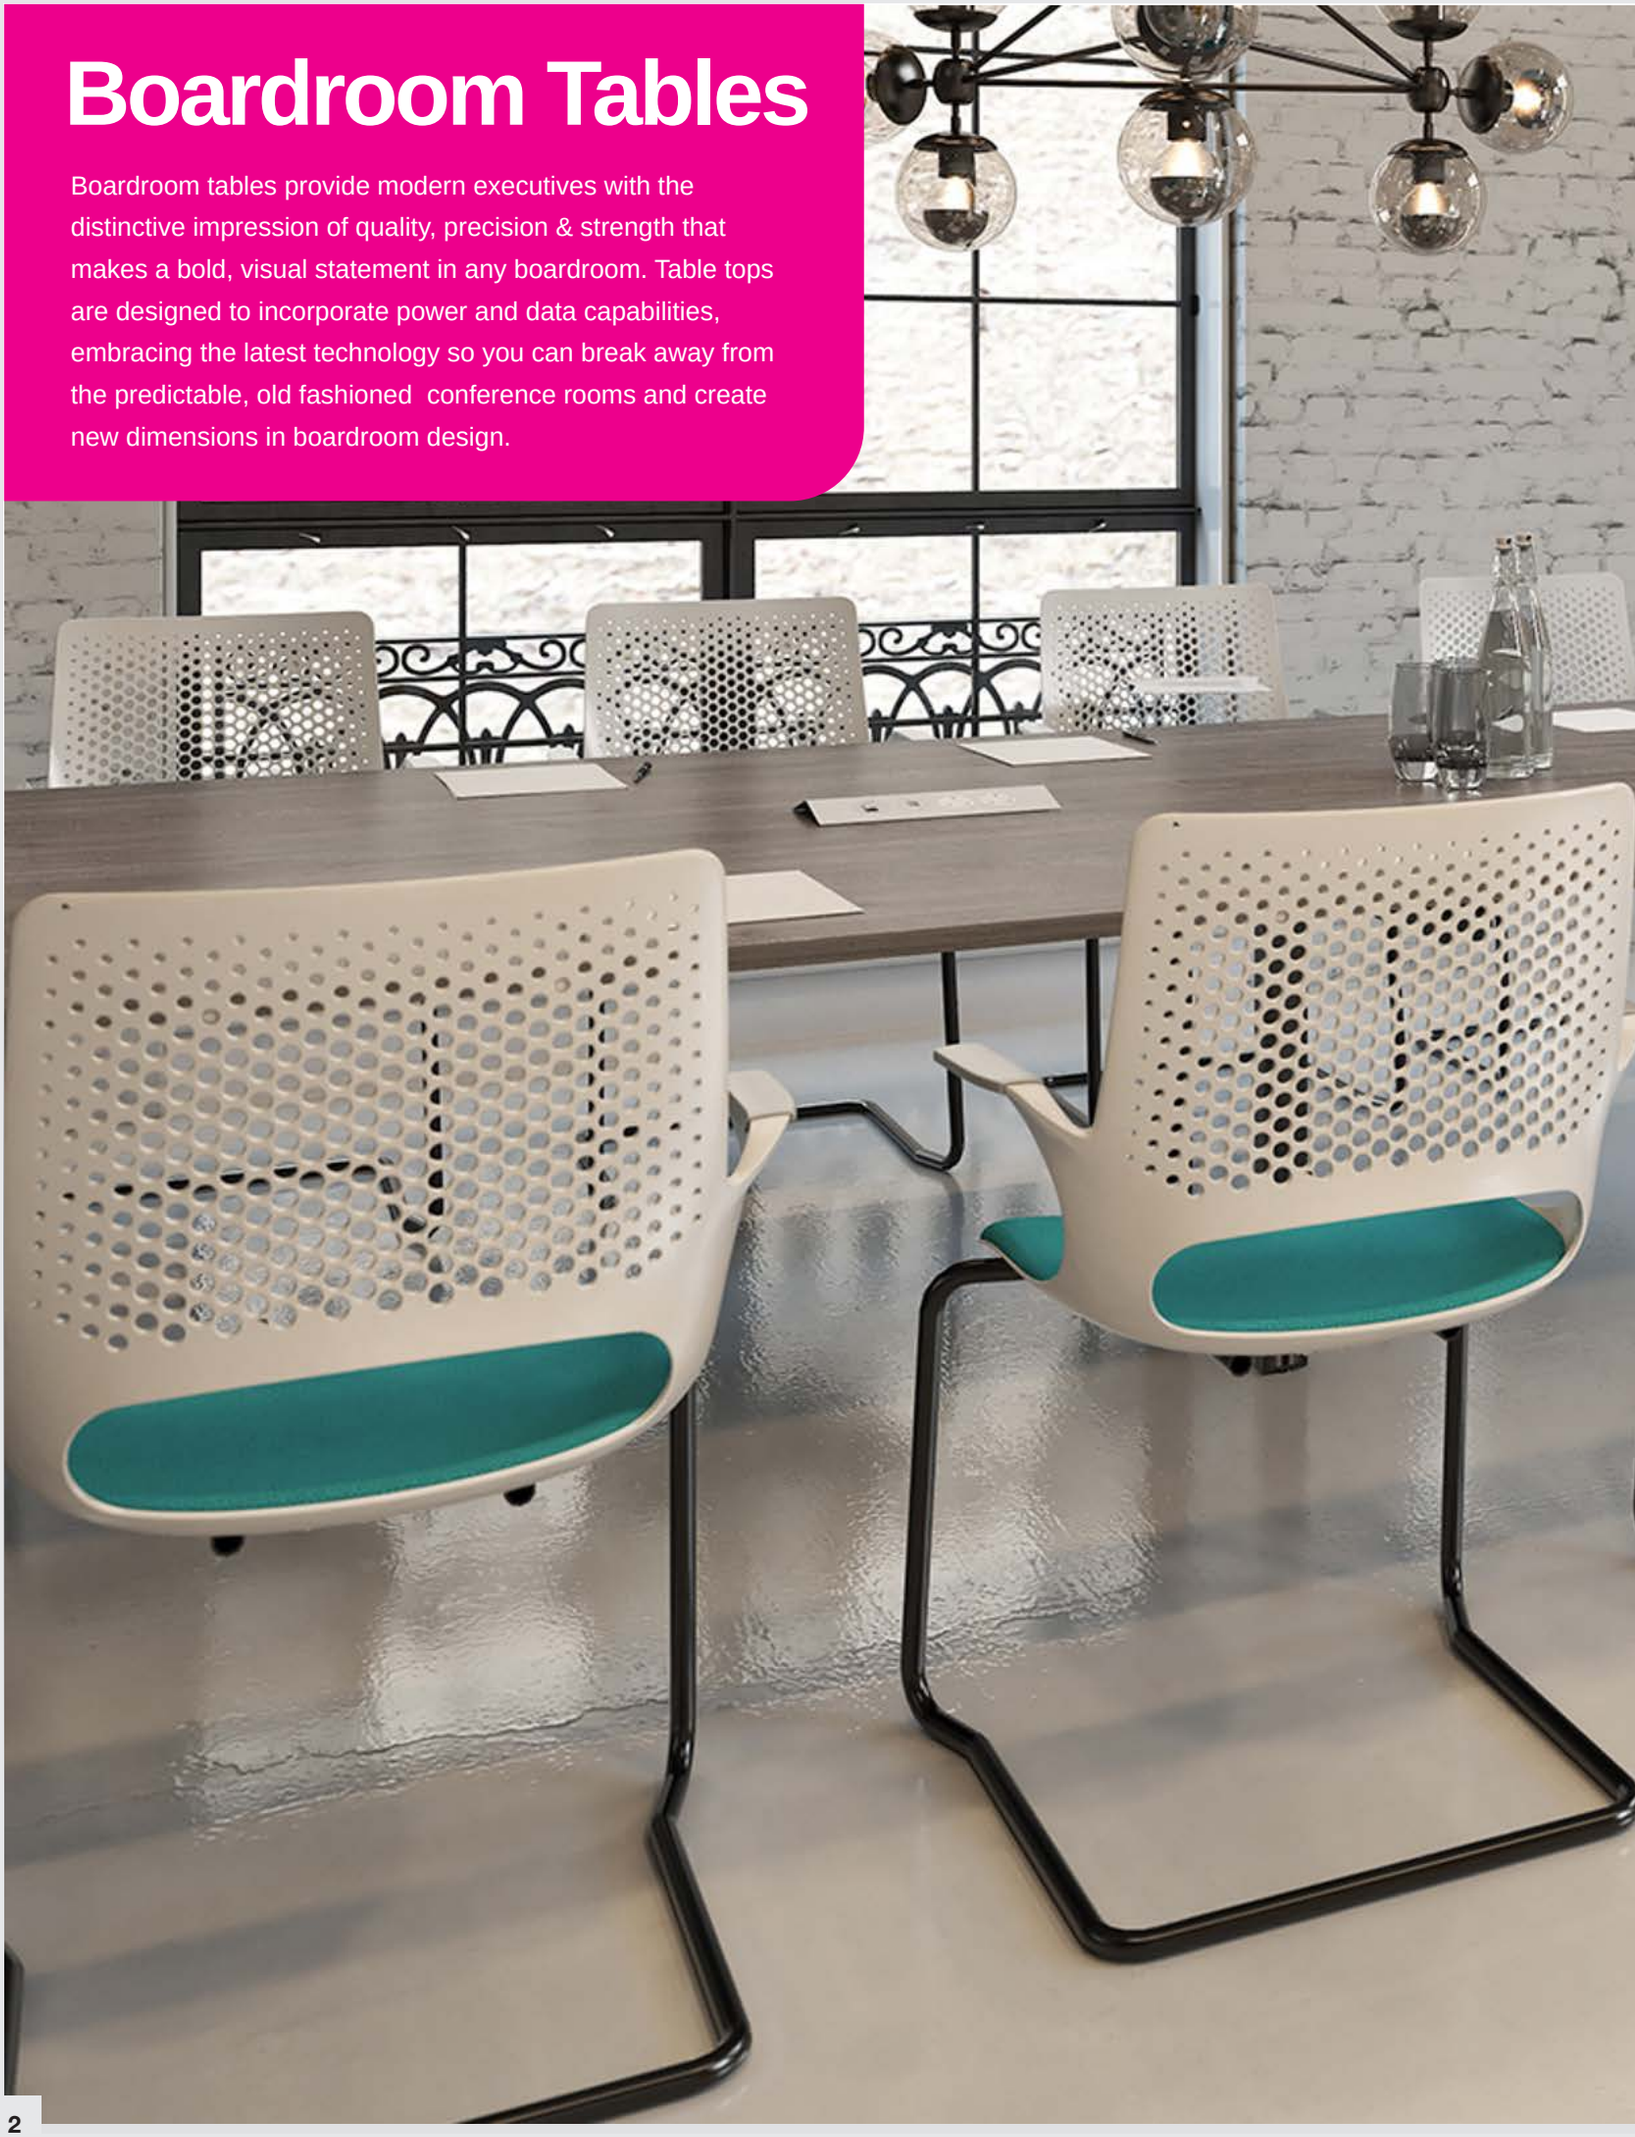
Boardroom Tables

Boardroom tables provide modern executives with the distinctive impression of quality, precision & strength that makes a bold, visual statement in any boardroom. Table tops are designed to incorporate power and data capabilities, embracing the latest technology so you can break away from the predictable, old fashioned conference rooms and create new dimensions in boardroom design.



Adapt

BENCH BOARDROOM TABLES

Beautifully designed and aesthetically pleasing, the Adapt boardroom table comprises a sturdy steel subframe and table tops which take on a floating appearance. Table legs can be shared, making it an aesthetically pleasing, cost effective and practical conference collection with robust customisable options for meeting room and boardroom needs.
