PRODUCT DATA SHEET

Panther Leather Chair

CODE: CH1101

The Panther Leather Chair is an exceptionally robust and highly adjustable seating solution designed for intensive use for up to 24 hours, making it ideal for workplaces with demanding needs. The chair features an extra-thick moulded foam seat and shaped back, providing optimal comfort for extended periods of use. The high ratchet back offers additional neck support, ensuring users can maintain a healthy posture. The chair's heavy-duty mechanism features independent controls, allowing users to customize the chair's settings.
