Indoor Mats

Enviro Fact

Rubber is extruded, and any uncured rubber is then reused to reduce waste of raw materials.

Enviro Fact

Solution dyed colours are created using environmentally friendly dyes and are perfect for long lasting colour.

The industry benchmark for optimum performance, durability and colour consistency. The Platinum range combines Solution Dyed Nylon with a nitrile rubber backing.

Features & Benefits

- Solution Dyed Nylon fabric for optimum wash and light fastness
- Nitrile rubber backed for ultimate durability
- Fully machine washable using our recommended wash process
- 10 year guarantee against colour loss* (if maintained in accordance with our recommendations)
- Stocked in the best selling colours and sizes for Fast Track delivery
