## PRODUCT DATA SHEET

### Rotating Cable Spines

CODE: ROSPBL/GRY

Our Rotating Cable Spines are designed to streamline and simplify your workspace cable management requirements. Designed with a touch of style while providing a practical solution for keeping your workspace tidy and professional.

Crafted from flexible plastic trunking, our cable spines ensure that cables are kept safe from damage and knots, providing a hassle-free experience. With the ability to rotate smoothly, you can easily access and adjust cables as needed without any hassle.

## FEATURES & SPECIFICATIONS

- Integral segregation for power and data cables
- Large weighted base for extra stability
- Maximum height 810mm
- Finishes - Opaque, Grey, White, Black
