PRODUCT DATA SHEET

Heavy Duty Posture Chair

CODE: PPI(3)SS

The heavy-duty posture chair with a large memory foam seat is designed to provide ultimate comfort and support. The memory foam is heat sensitive and adjusts to the body contours, reducing pressure on the lower back and ensuring correct spine alignment. The multi-function mechanism allows users to customize their seating position according to their preferences. The seat tilt, independent back angle adjustment, multi-position lock, tension control, and seat slide provide a comfortable and personalized seating experience.
