PRODUCT DATA SHEET

Call Centre Chair

CODE: CH0905

The Call Centre Chair is a specially designed seating solution for heavy-use environments, such as call centres. This chair features a thick moulded foam back for comfort and support, 2D adjustable arms for added convenience, and a heavy-duty Asynchro mechanism that can withstand long hours of use. The combination of comfort, durability, and adjustability make the Call Centre Chair an excellent choice for any demanding work environment.

FEATURES & SPECIFICATIONS

- Available with 2D height adjustable arms
- Physio-approved foam padded chair
- Wedge shaped cushioning supports the lower back and neck
- Asynchro mechanism with torsion control allows each user to adapt the chair to their needs
- Classic style 5 star base with castors as standard
- Tested to BS 5459 (2000) Part 2 certification
